

TRADITIONAL FEELINGS

Get out from San Sebastian.

A visit of the Ordizia or Tolosa markets, two of the most important markets in Euskadi. Once a week, agricultural and cattle buyers and sellers from the Goierri and the surroundings, meet together and they create a very colorful environment that involves every corner of the town.

Afterwards, we will move to one of the largest forests of the province, the Interpretation Center of the Aralar Natural Park, that offers the entrance to the parks strangest places. From its paths, we will approach to the great shepherd tradition places.

After finishing the tour, we will meet the shepherd and we will talk about his way of living, we will visit the current facilities they use, we will visit the antique huts shepherds used, we will see how the mountain cheese is done etc.

We will come back to taste a typical region dish made with hand – made products.
